

## Continuing Education Required each two-year renewal cycle. Completed within the two years prior to current expiration date.

Updated August\_19\_2015

**R5.4.3.** All Construction Supervisor License holders are required to complete the appropriate number of continuing education each two-year renewal cycle as described in Section R5.4.2. The following hour(s) of continuing education topics are required:

|   |              |
|---|--------------|
| Code Review   | one (1) hour |
| Workplace Safety  | one (1) hour |
| Business Practices / Workers' Compensation              | one (1) hour |
| Energy (except Demolition Specialty License)            | one (1) hour |
| Lead Safe Practices ( <b>only first renewal cycle</b> ) | one (1) hour |

The remainder credit hours to be completed by approved electives.

**R5.4.2 Hours.** A qualifying licensee must provide proof of completion of required hours of continuing education per two year license cycle in the appropriate category in which the licensee is licensed.

|  |          |
|--|----------|
| Construction Supervisors License                                 | 12 Hours |
| Construction Supervisors License (One- and Two-Family Dwellings) | 10 Hours |
| Construction Supervisors Specialty License                       | 6 Hours  |

**Exception.** *Building officials* who are certified and in good standing in accordance with R7 are exempt from R5.4.

**ON-LINE offered courses**  
(look for this color)

**12 HOUR ~ 10 HOUR ~ 6 HOUR courses offered** (look for this color)

**To locate when and where a class/course is scheduled please click on coordinator's website**
